## Rosé of Pinot Noir

2014

DEVOTO GARDEN VINEYARD

ALC 13.2% BY VOL

---

Our **2014 Green Valley Rose of Pinot Noir** was produced somewhat extemporaneously, *de saignée* during day two of our Devoto Garden Pinot Noir cold maceration. It was wild fermented in neutral oak with viable yeasts brought over from the wild ferment of our Pinot Noir. The secondary, malo-lactic fermentation was arrested 2/3 of the way through to preserve a small amount of natural malic acid.

The result is a very electric, food-friendly wine, a perfect companion to a warm day or night.

---

**Production:** 25 cases  
**Varietal:** Pinot Noir Dijon clone 828
